Plastics

Together with our partner [EAS Change Systems](#), we can offer a total concept in the different domains of the plastics industry.

AVT Europe NV moves moulds up to 110 tons, but also the smaller ones from 500 kg, from maintenance zones to the complete injection moulding machine.

To make the whole turnkey, we also supply the [buffer tables, tilters and inspection units](#).

Reference projects

Custom installations have already been built for several customers, all over the world.
